

Vertica Client License Agreement

Vertica provides downloads of clients and drivers that are redistributable. Open source clients and drivers are governed by their applicable open source license terms. This Vertica Client License Agreement applies to Vertica's closed source clients and drivers, which will be referred to here as "Redistributable Drivers".

You have the additional right to distribute the Redistributable Drivers in the programs you develop if you comply with the terms below:

License

You may copy and distribute the object code form of the Software ("Distributable Code") in programs you develop. You may not modify the Software. You may permit distributors of your programs to copy and distribute the Distributable Code as part of those programs.

Distribution Requirements

For any Distributable Code you distribute, you must display your valid copyright notice on your programs; and indemnify, defend, and hold harmless Micro Focus from any claims, including attorneys' fees, related to the distribution or use of your programs.

Distribution Restrictions

You may not alter any copyright, trademark or patent notice in the Distributable Code; include Distributable Code in malicious, deceptive or unlawful programs; or modify or distribute the source code of any Distributable Code
